

PRODUCTEMPORIUM

What is this?

Product Emporium is a digital product catalogue. In simple words, it is an archive gathering all information on your products. It is filled with pictures, movies & descriptions in every format and language. All data is structured and adapted for an easy roll-out via different eCommerce platforms. After the initial setup, you will be able to roll-out your product to new shops/markets in no time at all.

Mostly used in:

This will help you to:

- ... communicate your products/ services in a consistent way across eRetailers
- ... manage multilingual and multimarket communication from one place, on demand
- ... keep your materials always up-to-date
- ... easily distribute brand content to your retail partners
